Solve any Star Pattern program in Python

Different types of Patterns

Create any of these pattern on your own

Pyramid

Right Triangle

```
*
**
***
****
*****
```

Left Triangle

```
      *
     **
    ***
   ****
  *****
```

R. Downward Triangle

```
*****
****
***
**
*
```

L. Downward Triangle

```
*****
 ****
  ***
   **
    *
```

Double hill

```
      *      *
     **     **
    ***    ***
   ****   ****
  *****  *****
 *****  *****
```

Reverse Pyramid

Butterfly

```
*      *
**     **
***    ***
****   ****
*****  *****
****   ****
***    ***
**     **
*      *
```

Diamond

```
      *
     **
    ***
   ****
  *****
   ****
    ***
     **
      *
```

Sandglass

```
*****
****
***
**
*
**
***
****
*****
```

Left Pascal's Triangle

```
*
**
***
****
*****
****
***
**
*
```

Right Pascal's Triangle

```
      *
     **
    ***
   ****
  *****
 *****
*****
```
